- 9 Eligibility Determination

Read and check the box next to each statement if you agree.

- I know that if Medicaid pays for a medical expense any money I get from other health insurance or legal settlements will go to Medicaid in an amount equal to what Medicaid pays for the expense.
- I know I'll be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell the agency and I won't have to cooperate.
- I understand that AccessHealthCT.com will use data from my tax return during the renewal process to determine yearly eligibility for help paying for health insurance for the next 5 years. I understand that if I check this box I can change my answer later, and if I don't check the box I can select less than 5 years.
- I know that I must tell the program I'm enrolled in if information I listed on this application changes.
- I'm signing this application under penalty of perjury. This means I've provided true answers to all the questions on this form to the best of my knowledge. I know that if I'm not truthful, there may be a penalty.
