- (1) Plans for Disabled - All companies must offer Plans A. If a company also offers Plan(s) B and/or C, then it must also offer the plan(s) to disabled Medicare beneficiaries.
- (2) High Deductible Plan - This plan provides the same benefits as Plan F after one has paid a calendar year deductible of **\$2,180 for 2016**. Out of pocket expenses for this deductible are expenses that would ordinarily be paid by the plan. These expenses include the Medicare A and B expenses that would ordinarily be paid by the plan. These expenses include the Medicare A and B deductibles, but not the foreign travel emergency deductibles.
- (3) The date a company's rate was approved is not necessarily the date the rate change will take effect. Check with the company for the effective date.
- (4) These are group plans that are available to group members enrolled in Medicare. Payment of a group membership fee is required.
- (5) Company also offers Plans A, F, HDF, K and N with dental and vision benefits for an additional monthly cost of **\$13.25**.

* The rates on this chart are monthly electronic funds transfer (EFT) rates in most cases.
